Dear Sponsors,

We greatly appreciate all you have done for your child,

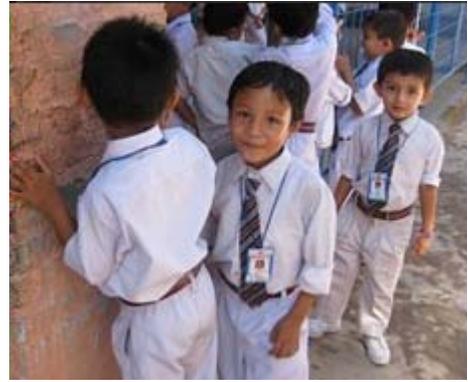

As you may know expenses to support the children have increased due to inflation and the political turmoil in Nepal.

In an attempt to help us meet the rising expenses, we are encouraging our sponsors to help your child even more by hosting a friendraiser.

Friendraisers are a great opportunity to get together with your friends, have fun, and raise awareness about a cause you care about.

**To help you do this we are providing ideas for events and a sample invitation.**

**At your party, a board member will come with a slideshow and brief talk and be available to answer questions. We also bring a small door prize and brochures.**

We would love for you to do this and we will be happy to provide any support or help you need to help promote and orchestrate your event.

Call Nancy Williger at (314) 962-2426 or (314) 614-1484 to let us know.

## *Sample Invitation*

Dear Friend,

As you may know I have been sponsoring a child in Nepal for several years.

I receive letters and pictures twice a year and as I have watched the child I sponsor grow, I know that I am making a difference in a child's life.

Expenses for care have risen with the inflation and political turmoil in Nepal, but Mitrata is committed to keeping sponsorships affordable.

I'm having a get together and also a party to let you know about Mitrata and it's mission. If you want more information, the website is [www.mitrata.org](http://www.mitrata.org).

I hope you can come for a fun evening, I would love to see you!
